

THE ROMAN CATHOLIC PARISH OF
St. John the Evangelist
2025 Annual Update

Please note: financials will be available at a later date.

October 2025

Dear Brothers and Sisters in Christ,

As we look back on this past year, my heart is filled with gratitude for the many ways God has blessed our parish community. I am delighted to share with you some highlights of our life together and to assure you of the health and vitality of our parish.

Financial Stability

Thanks to your faithful stewardship and generosity, our parish finances remain strong and stable. We have been able to meet our operational needs, support our ministries, maintain our facilities, and continue investing in the spiritual and pastoral life of our community. Careful planning by our Parish Finance Council has ensured that we are not only sustaining but also preparing for future growth.

Vibrant Worship and Attendance

This year has been marked by joyful participation at our liturgies. Attendance has been robust, with a special joy in welcoming so many families with children. The presence of our youngest parishioners reminds us that the Church is alive and growing, and it brings renewed energy to our worship.

Pastoral Ministries

Our pastoral ministries continue to flourish. From parents taking an active role in family faith formation and youth formation to outreach programs for the sick, homebound, and those in need, many parishioners have generously offered their time and talents in service. These ministries are not only signs of a healthy parish but also tangible expressions of Christ's love at work among us. Our recent Fall Ministry Celebration is a vivid reminder that invitation and welcome are a key part of maintaining a vibrant parish.

A Multicultural Family of Faith

One of our greatest blessings is the rich diversity of cultures represented in our parish. Each group contributes unique traditions, gifts, and perspectives, reminding us of the universality of the Church. Together, we reflect the beauty of God's kingdom where every nation and tongue finds a home.

As we move forward, I am asking for your continued support through your involvement in parish activities and your contribution to St. John's Annual Collection. This collection stays in our parish and enables us to continue the growth of our programs and maintain the beauty of our church and grounds.

Let us remain united in prayer, steadfast in faith, and generous in service. Thank you for making St. John's a place where Christ is known, loved, and shared.

With gratitude and blessing,

Craig A. Pregana
